Inverter compatibility statement																																																																																																																																																																																																														
<b>Company Name</b>	Zhejiang Zhongxing Energy Technology Co., Ltd.																																																																																																																																																																																																													
<b>Postal Address</b>	No. 10202 Building 1, Zhongxing Energy Technology Park, No. 12, Guoshun Avenue, Dongsheng, Longyan District, Shaoxing																																																																																																																																																																																																													
<b>Province</b>	Zhejiang																																																																																																																																																																																																													
<b>City</b>	Shaoxing City																																																																																																																																																																																																													
<b>Tel</b>	0575-83211888																																																																																																																																																																																																													
<b>E-mail</b>	zhongxing@zrg.com																																																																																																																																																																																																													
<b>Web</b>	www.zrg.com																																																																																																																																																																																																													
<b>Model of the inverter to be tested and the inverter to be tested for the following product</b>																																																																																																																																																																																																														
<b>Product Line</b>	<b>Reference Model</b>	<b>Description</b>																																																																																																																																																																																																												
PowerBase FC	ZN6700150002L24V-C4813 1500W	Maximum Output Power: 1500W Maximum Voltage: 24V Max. Output Current: 62.5A																																																																																																																																																																																																												
	ZN6700150002L24V-C2819 1500W	Maximum Output Power: 1500W Maximum Voltage: 24V Max. Output Current: 62.5A																																																																																																																																																																																																												
 <small>Zhejiang Zhongxing Energy Technology Co., Ltd.          Zhejiang Zhongxing Energy Technology Co., Ltd.          Zhejiang Zhongxing Energy Technology Co., Ltd.</small>
